Principal's Report

WELCOME BACK for term 3! I trust everyone has enjoyed some rest and relaxation time over the holidays ready for a fun filled, exciting term 3! Our calendar is already filling up, please make sure you check it regularly as we have a lot on this term.

We have a large number of green, unlabelled school jumpers here at school, if you are missing any please come in and check the pink uniform box under the building.

Our Mooki Group Athletics carnival will be held this Monday in Gunnedah, we have all been practicing and working hard on our athletics skills. The day will begin at 8:45 am, students are required to wear their sports uniforms, please be sure they have their school jumpers and track pants and green school hat. They are also required to bring a packed recess and lunch or purchase recess and lunch from the canteen, operated by Carroll Public School P&C.

Next Tuesday we will dialing in to the Power House Museum to participate in a lesson about Past and Present Transport and Transport Systems. This is a great chance for us to look at the ways people used to get around and how technology and innovations have made things quicker and easier for us.

Education Week 2014 marks the 60th Anniversary of the first Education week held in 1954. Held across week 3 this term we will be celebrating education week revisiting the original theme of Lighting the way to a better world. This week is a fantastic opportunity for us to showcase our school and invite our family and friends in to see what we have been up to. We are very excited to invite our family and friends in to share their expertise and interests with us throughout the week, and celebrate both National Tree Day and Jeans for Genes Day with our Grandparents on Friday. Grandparents day will begin at 12 pm where we will join together for a story time lesson, followed by lunch and if you are game, a sports challenge in the afternoon. Other activities held throughout the week include; scavenger hunt, pyjama day, cooking and art and craft activities.

Our P&C will be meeting next Tuesday evening at 6pm in the library, we hope to see you there.

Rebecca Smith
